## General Information

The aim of this survey was to collect data and information on hosts across Yorkshire and Humber on the Homes for Ukraine Scheme, their experiences of hosting and ways to improve similar schemes in the future.

The survey was anonymous and was open between 10 June and 10 July 2023.

There were 700 submitted responses, with representation from across the whole of Yorkshire and Humber.

59.8% were still hosting and 10% of respondents had hosted more than once.

The slides shows five quick findings:
