Training and e-learning

> “The training provided is of an exceptional standard …The training has evaluated really well and all the participants have learnt a lot and have benefitted from attending the training.”

Rachel Payling, Head of Stronger Communities, Barnsley Council

We offer online and in-person training covering a range of issues related to migration delivered by experienced migration experts. Our core training session is Introduction to Migration which provides professionals the tools they need to enhance their understanding or changing communities. We also provide bespoke training to focus in on a specific aspect of migration or to fit your specific needs as an organisation. Together we can upskill your teams and provide you with the context and details to grasp the opportunities of an ever-changing world.
