Donations and help

If you want to make financial donations to support Ukrainians affected by the war there are a number of organisations in the UK receiving donations and coordinating support as well as international organisations.

The Disaster Emergency Committee (DEC) have launched a Ukraine humanitarian appeal where you can donate to support Ukrainian families. DEC charities and their local partners are in Ukraine and in neighbouring countries providing food, water, shelter and medical assistance.

The British Red Cross have a Ukraine Crisis Appeal and are accepting donations to support them with their operations assisting newly arrived Ukrainians in the UK as well as contributing to their international response by providing emergency provisions, healthcare and other support to families in Ukraine.

The Association of Ukrainians in Great Britain (AUGB) are running a GoFundMe page to support Ukrainian refugees, they accept monetary donations to fund food, hygiene and medical packs, and other everyday essentials with specifications set by UNICEF and the World Health Organisation (WHO). There are many branches throughout the UK and you can find support in your local area.
