Assistant Finance Support Officer

Do you have excellent finance support skills? Are you looking for an interesting and varied role?

We’re looking for an assistant finance support officer to work on Refugee Integration Service (RIS), a large project led by Migration Yorkshire, in which we provide comprehensive support to improve the integration of refugees, with a strategic approach and front-line services, underpinned by comprehensive evidence and refugee participation. The project is co-funded by the European Union Asylum, Migration and Integration Fund.

You’ll be part of the Migration Yorkshire team and you’ll provide support across RIS, including assisting in the monitoring of financial and performance management systems for the project and liaising with the UK Responsible Authority (UKRA) and partner organisations.

This role is fixed term until 31 December 2023.

Find out more and complete an application form here.

When writing your application, you need to show that you meet all the essential requirements listed in the personal specification. You should give examples from your work experience and make sure you cover each bullet point.

The application deadline is 12 May 2023

Refugee Integration Service
Part of Migration Yorkshire

This project is co-funded by the European Union Asylum, Migration and Integration Fund. Making management of migration flows more efficient across the European Union.
