What Yorkshire folk think about migration - 2025 opinion poll

Find out what people in Yorkshire and Humber think about migration

This poll asked people across the region about a range of issues related to migration. Focaldata interviewed a representative sample of 2,557 adults aged 18+ who live in Yorkshire and Humber via an online survey between 22 August and 1 September 2025. The results have been weighted and are representative of all adults aged 18+ living in Yorkshire and Humber. The following tables group together answers, for example those that were generally positive or generally negative and so on, in order to provide an overview of the results. Percentages may not always total 100 due to rounding.

You can watch the summary in the video below, view the results on this page, download our summary of opinion poll results (Excel file, 109 KB), and read this briefing highlighting some of

the key findings.
