Terms of use for our social media accounts

Opinions expressed by our followers are their own and do not reflect the views of Migration Yorkshire or its employees.

We ask our social media community to respect the following guidelines:

Privacy

We ask our followers to take care of their personal data. Please do not include personal details, such as your email address or phone number, or other people’s names or details, in comments or posts.

Respect

Any posts containing defamatory or discriminatory language, images or videos of anything deemed offensive to others or mentioning commercial services will be removed, and the user may be blocked.

Relevance

We welcome discussion, but please do not post spam or repeat your message on multiple unconnected posts.

Intellectual property

Please do not post any copyrighted material, such as branded content, graphics, images or videos, unless you have permission to do so.
