# OUR MARKETPLACE

HOW DOES IT  
WORK?

# NIYA IS AN ONLINE MARKETPLACE FOR GLOBALLY DISAPLCED TECH TALENT

## > ASSESSMENTS

Niya candidates go through a series of technical and business skills assessments

## > PROFILE CURATION

The platform curates their profile, which will be published to our network of employers

## > AI MATCHING

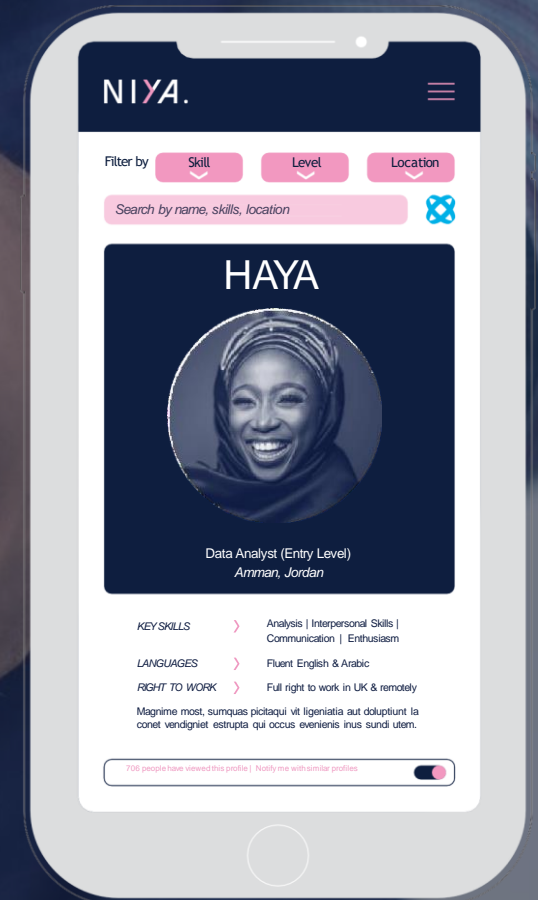

Our marketplace platform uses AI to identify high matches with our clients' job openings

## > JOB PROCUREMENT

Our clients offer flexible job opportunities including contracting or permanent, remote or on site, and full time or part time roles

For every candidate successfully placed through our platform, the referring partner organization receives a **£200** donation
