Refugee Integration
Yorkshire and Humber
part of migration yorkshire

This project is co-funded by the European Union Asylum, Migration and Integration Fund. Making management of migration flows more efficient across the European Union.

The well loved Yorkshire Integration Festival (YIF) will be back later this autumn, and it's the first time we will host it in Sheffield!

Just like the YIF in the past years, it will comprise great performances, good food, diverse exhibitions and stalls, and of course nice people coming from every corner! We will soon recruit performers and small businesses to participate in the event.

If you would like to join us, please write to events@migrationyorkshire.org.uk by **23 July 2023 (Sunday)**.
