

Yorkshire Integration Festival 2023

The Yorkshire Integration Festival (YIF) is back for its second year.

This free, family-friendly event is a celebration of the positive impact made by migrants and refugees in Yorkshire and Humber, showcasing the diverse range of cultures and customs that make our region a special place to live.

A yellow poster for the Yorkshire Integration Festival. On the left, three overlapping circles show photos of festival activities: a group of people dancing, a man playing a drum, and a group of people at a table. In the top right, the festival logo (a colorful star-like shape) is next to the text 'Yorkshire Integration Festival' and 'Celebrating our communities together'. In the center, a calendar icon is next to the date '30 September 2023'. Below that, a location pin icon is next to 'Sheffield' and 'Peace Gardens and Winter Garden'. At the bottom, the 'Refugee Integration Yorkshire and Humber' logo is on the left, and the European Union flag with a text box on the right. The text box says: 'This project is co-funded by the European Union Asylum, Migration and Integration Fund. Making management of migration flows more efficient across the European Union.'

As well as being open to the general public, the YIF is a place of welcome for those seeking sanctuary. Many of our audience are from our refugee communities. In order to make the festival as accessible as possible, Migration Yorkshire provides free return coach travel and lunch on the day to enable refugees and asylum seekers from right across the Yorkshire and Humber region to attend.

This year, the YIF 2023 is coming to Sheffield's Peace Garden and Winter Gardens on Saturday 30 September 2023.
