Working in the UK

Right to work in the UK

Unless you are a British citizen, you need to prove that you have the right to work in the UK. Employers can be fined, or even face jail if they employ someone illegally.

To find out more about in the Working in the UK toolkit.

This Toolkit gives newcomers to the UK an overview of employment in this country. It does not provide comprehensive information but is designed to give a broad overview. It can be used by people who support refugees and other migrants who are looking for work.
